

SOLE SOURCE PROCUREMENT REQUEST

Please complete and email to: vip@azdoa.gov

Entire document MUST be completed	
Section 1	
Requesting Agency: Arizona Geological Survey	
Vendor: HydroGeophysics Inc	Estimated Cost: \$127,600
Section 2	
Brief description of materials or services: Compile geophysical data, define basin boundaries, depth to bedrock, water table elevations, and other parameters of hydrologic significance throughout Arizona.	
Section 3	
Briefly describe why this procurement is Sole Source and why there is only a single source available: This consulting firm has the specific and possibly unique geophysical expertise needed to collaborate with AZ Geological Survey and the State Lands Department to integrate geophysical data with geologic information to create accurate models for assured water supply requirements.	
Duration of this Sole Source procurement: This particular project is from April 2007 to June 30, 2007. However, we expect to renew contracts with each fiscal year.	
Briefly describe the efforts made to seek other sources: Numerous searches in SPIRIT have been done. No other geophysicists are listed in SPIRIT. The other environmental consultants do not have anything similar to this type of expertise.	

Send comments to the following individual:

Requesting Agency Contact Information	
Procurement Officer: Mary Andrade
